Giving the Gospel at Christmas

Christmas Party Clubs are a great way for anyone to share the Good News of Jesus Christ. This year's theme is:

"I Don't Want Your Money"

The party kit includes a Bible lesson, songs, a craft, and reproducibles to support the lesson. *If you would like to lead a Christmas Club to share God's love, we can help! We will be providing training on November 16th, 9:00-11:30. For more information or to sign up call the office on Mondays-Thursdays 8-2.*

Ways You Can Help

- **Pray** - Pray for the 70,00 children who have never heard the gospel in our local area. Ask God for his direction to reach all the families and children suffering in the darkness of sin. Lift up the need by praying for discernment and direction regarding how you and your church may join the harvest.
- **Serve** - Volunteers are needed to share God's love with children.. Help reach biblically illiterate and lost children who live without the Good News of Christ! If God is calling your church or you to join in offering hope, email bill@cefsandhills.com.
- **Give** - where most needed - Your gift helps provide children's evangelism resources including CYIA 5-Day Clubs and GNC materials, equipment, training at multiple levels, and a Children's Ministry Conference to help churches fulfill the mission to present the Gospel. Children may come to know our Savior, be disciplined through God's Word, and be established in the local church through you!
- **Projects**
 1. Funds for a used 15-passenger van for the teen CYIA summer missionary ministry.
 2. \$10,000 for summer intern missionaries.
 3. \$4800 to fully support the Good News Club ministry through January.

How are we doing?

For over 30 years locally, our purpose has been to evangelize, disciple, and establish children in a local church. We purposefully invest in our fellow servants through training, resources, and spiritual encouragement. The primary motivation of everyone involved is their pursuit of God. He sustains us in our purpose, even amid challenges and difficulties.

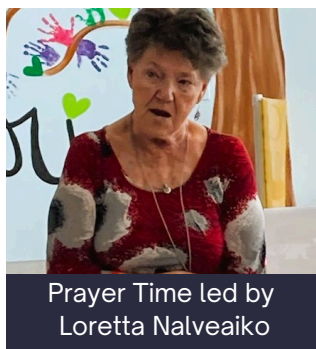

It is not the work we do, meetings, or decisions we make that bring the greatest advances in the work. It is the time we spend aligning ourselves to God's will in prayer. In His will, we live in the reality that everything belongs to Him; our time, desires, lives, and resources. We seek the unseen eternal. In Isaiah 49:3-4, God assured Isaiah, and every faithful servant, that our reward is with Him and He will be glorified through it.

His ministry at CEF Sandhills has been blessed with spiritual growth, discernment, resources, geographic reach, and effectiveness. It would be easy to stay in this sweet, safe arbor. But as John Bunyan put it in *Pilgrim's Progress*, this pleasant arbor is a 'Slothful's Friend.' Many pilgrims are distracted from finishing when comfortable progress has been made. However, this is not a time for rest!

He desires us to reach the 70,000 children in our ministry area who have never heard a clear presentation of the Gospel at their level of understanding. Let us together work towards caring for children. Please check the back page for 'Ways To Help' as we continue pursuing these lost children.
