The wheels on the bus go round and round . . . Good News Clubs

Did you know we are legally sharing the Gospel in the public schools? It's true! Through Good News Clubs, an after-school Bible club in your local school, you can double the impact of your church's children ministry. CEF can help you establish a relationship with your local school and begin an after-school Good News Club. CEF also will provide the resources and training your team will need.

Christmas Party Clubs are one of the ministries of Child Evangelism Fellowship® that presents the Gospel to children. These one-time events can be taught by ANYONE with minimal training. Share Christ's love at Christmas time.

Plan to attend the **free Christmas Club Training & make preparation to reach boys & girls this holiday!** Enjoy a delicious brunch. Plus, **free materials** if you report the location, and attendance. Also, we will work with you to find a school/group to share with in your area. **Come and see that he can and will use you.**

Thank you Lord for the sweet smelling fragrance of your willing Good News Club volunteers and your design upon their lives. Thank you for the way they offer your one way for life and peace. We thank you for the privilege to have a part in your harvest and see the drawing power of your Spirit on young hearts.

*Thank
You Lord!*
