CHRISTMAS PARTY CLUBS

Party Clubs are evangelistic Bible clubs that are held during major holidays. Usually, these are in areas that have had little gospel outreach. This year **24 clubs were held and 426 children were reached** with the Good News. 5 responded to join the family of God!

BECOMING A RISK-TAKER FOR THE GOSPEL

As you and I enter 2025, **let us respond boldly and intentionally with action to reach the approximately 70,000 children in our seven-county area who have little or no contact with the Gospel.** Friends, we do not have to wonder what God's will is regarding these little ones. Jesus said, let the children come to Him (Mark 10:14) and the fields are ripe, ripe, ripe (John 4:35). Let us embrace the risk and step out in faith to **reach 7,000 of these children with the transformative message of the Gospel this year.** This challenge will require us to overcome the fear of failure, personal discomfort, and necessary sacrifice.

We are committed! We are working to create more opportunities to share resources, host events, and build meaningful relationships with the children, local churches, and individuals who will join us in the work. **Help us forge lasting, life-changing relationships with children** that reflect the heart of the Gospel. Children's lives will be transformed with your involvement, and the Kingdom of God will advance.

Together, let us prioritize our lives in ways that please Jesus. He who was displeased when the children were overlooked and dismissed and rebuked the disciples of the past for doing so, has not changed. He still desires us to answer His call **for the sake of children and the eternal hope the Gospel offers.**
