EQUIPPING CHURCHES TO CHANGE LIVES

When a church or group says **"yes"** to impacting the lives of local children by hosting a Good News Club, the journey begins with training—and that's where Madelyn Yoshino comes in. Recently, she led a training at River Community Church, where four trainers worked alongside her to equip nine participants—**eight of whom were brand new to Good News Club!**

Madelyn, who began serving with CEF Sandhills as a Christian Youth in Action student in 2015 and completed her Master Teacher certificate with Children's Ministry Institute in 2022, walked the group through how to share the Gospel clearly with children within an engaging and organized club environment. These Christ proclaimers left excited and prepared to begin reaching public school children with the Good News. **You can support them by praying!** These very volunteers hope to establish Good News Clubs at Long Hill and Vanstory Hills Elementary very soon.

We are grateful for Madelyn's leadership as our new Director of Training and for churches like River Community who open their doors for these vital trainings. We are pleading in prayer for more according to Luke 10:2. **Over 121,000 children live in the Sandhills area and attend one of the 113 schools that are potential Good News Clubs. Will you join us?**

If your church or group is looking for a practical way to shape the next generation, would you please explore partnering with us to start a Good News Club? **Madelyn is available to provide training in person or via Zoom.** This is a wonderful opportunity to see how your church can be equipped to share the Gospel with children right in your community and see lives changed!

Please pray for our current goal of \$20,000 to support paid training staff. Donations can be made online with the note - "for Director of Training."

Madelyn, a volunteer trainer for 3 years, is currently an instructor of two *Teaching Children Effectively 1* courses within the state of NC.

Let's reach children with the Gospel!

We Need Prayer Because

- **God** gives provision
- **God** reveals strategies
- **God** changes hearts
- **God** removes obstacles
- **God** sets up opportunities

In the book of Daniel, it is encouraging to notice the verbs that follow Daniel's descriptions of God - **God gives, God reveals, God changes, God removes, God sets up.** He is in control! Daniel recognizes God's authority in his difficult, historical context as an exile, and he also sets an example for us in his devotion to prayer, even at the risk of his life.

"Cry aloud...He shall hear"

- for the salvation of the over **121, 000 children** in the Sandhills area
- for more workers in the harvest to share the good news at **113 Public Elementary** Schools (Luke 10:2)
- for the 11 Good News Clubs now established
- for God to provide a local director

Pour out your heart like water before the presence of the Lord! Lift your hands to him for the lives of your children, who faint for hunger at the head of every street." Lam 2:19

Answered Prayer = PRAISE!

Sampson and Cumberland County schools were fully approved for Good News Clubs this year! 11 clubs started!

Teaching how to lead memory verse time

“Here I am Lord, send me”

After teaching in the public school, I better understand Isaiah’s cry: “Woe is me! For I am lost; for I am a man of unclean lips, and I dwell in the midst of a people of unclean lips.” Over this last year, God has taught me the key importance of the Gospel in my life and in the lives of the children. Who will teach them of His truth?

By God’s grace, I will.

My deepest desire is to –

- personally share the hope of Jesus Christ with children
- teach others to evangelize lost boys and girls
- train believers in local churches to establish Good News Clubs, an effective after-school outreach designed to share the good news of Jesus with children in public schools.

– Madelyn Yoshino

Director of Training

Jude & I met at a CEF training camp in 2021, married in 2024, and now are expecting our baby girl in December!

Will you join me in praying for the children? Will you help me reach them with the Gospel?

God has opened doors to further spread the Gospel. As part-time staff with CEF Sandhills, I will be serving as the training director, leading regular training for Good News Club volunteers and providing special training events for local churches. God has also called me to reach local children in Durham as I teach in a weekly after-school Good News Club. Would you consider partnering with me in sharing the Gospel with children by prayer and giving?
