③ PRAY ABOUT IT!

Ask God to help you trust His wisdom.

A big part of seeking wisdom is reading and knowing the Bible. Sometimes it is hard to know where to look for help in the Bible. Many Bibles have something called a "concordance" in the back. You can look up different words in the concordance—like wisdom, love, and forgiveness—and it will tell you some verses that have that word in it.

**Quiet Time**

WORD UP! God gives wisdom!

You have a new memory verse! Read it each day, and at the end of the week, see if you can say it without looking.

"If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him."
James 1:5

This week you learned how God gave Daniel wisdom. God gives you wisdom through His Word. That's what you'll be learning more about in your Quiet Time this week. Having wisdom isn't about how smart you are or getting a good grade on a test. It's about how you choose to live your life.

When you finish your Quiet Time each day, write something you know from God's Word in the bubble. Remember, what you know about God and His Word helps you have wisdom.

When you learn something new or you are reminded of something important, write it down or draw it in the box below. Then tell someone about it!
