—Philippians 1:6

3 PRAY ABOUT IT!

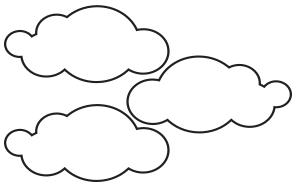

Thank God that He is always working in your life! Ask Him to help you love and obey Him today.

THINK ABOUT IT!

Learning to love and obey God is a process that takes your whole life long! But God promises that when you know Jesus, He will keep on working in your life.

One day you will get to Heaven and He will make you perfect! Loving and obeying God will no longer be hard!

Think about some ways you see God helping you do what is right. Tell three people about how God is helping you love and obey Him and write their initials in the cloud shapes.

This week you learned a new memory verse—do you have it memorized? See if you can say the verse by using just the first letter of each word.

Week 3 ESV

Quiet Time

WORD UP! Obey God!

You have a new memory verse this week! Try to say the memory verse out loud every day until you can say it without looking!

"For it is God who works in you, both to will and to work for his good pleasure."

Philippians. 2:13

Is it sometimes hard for you to obey?

Obedience can be hard! But for those who have believed in Jesus as Savior, Jesus gives strength and power to obey. Jesus always obeyed God perfectly all the time, and He can help you obey too. You will learn more about that this week as you do your Quiet Time.

When you finish your Quiet Time each day, color one letter until you've colored them all.
